Community Service Projects

Painted Memory Boxes Members of Valley Tole and Decorative Painters share their time and talent to paint memory boxes for families who have lost a baby. Over 80 memory boxes are painted each year and are donated to local hospitals as well

as SIDS for distribution. Many "paint'ins" are held throughout the year and provide an opportunity for beginners and experienced painters to get together to serve others.

Flint Women's Shelter Members of Valley Tole and Decorative Painters share their time and talent to sew and paint tote bags to give to women in the shelter. They are generously filled with donated personal items and delivered for gifting to women on Christmas Day.

Flint Whaley Children's Home Members of Valley Tole and Decorative Painters also share their time and talent to paint tote bags for Whaley Children's Home. The bags are also generously filled with donated items and are a big treat for the children on Christmas day. Members paint and fill over 40 bags each year.

*Valley Tole & Decorative Painters
of Michigan, Inc.*

Valley Tole and Decorative Painters is an affiliate chapter of the Society of Decorative Painters. The society was organized in 1972 to stimulate worldwide interest and appreciation for decorative painting; to recognize diversity of and excellence in the art form; and to serve as the resource center for all aspects of decorative painting.

Valley Tole is part of this worldwide family of painters with interests as varied as the places in which they live, encompassing over 40 countries.

There are approximately 300 chapters and 30,000 members.
